DIW - Delonized Water

#### II. **Product Cleanliness Specifications**

The raw materials used in the production of this finished product are compliant per IEST-RP-CC004.3 and in accordance with Teknipure upper limit specifications. A Certificate of Analysis for this lot of wipes can be obtained using the Component Wiper Lot# found in the first table on this page at https://teknipure.com/certificate-of-conformance-search/

### III. **Product Packaging Specifications**

The packaging materials, method & environment of this finished product are in accordance with Teknipure specifications.

Manufactured By: (Production Technician)

Inspected By: (Quality)

Name (printed): Alm

Date of Manufacture: 03/25/2024
